

Mojaloop Planning Day #4

PI-18 Workstream Feedback Session – 27 April 2022

Presenters

Kim Walters

Mojaloop Orientation

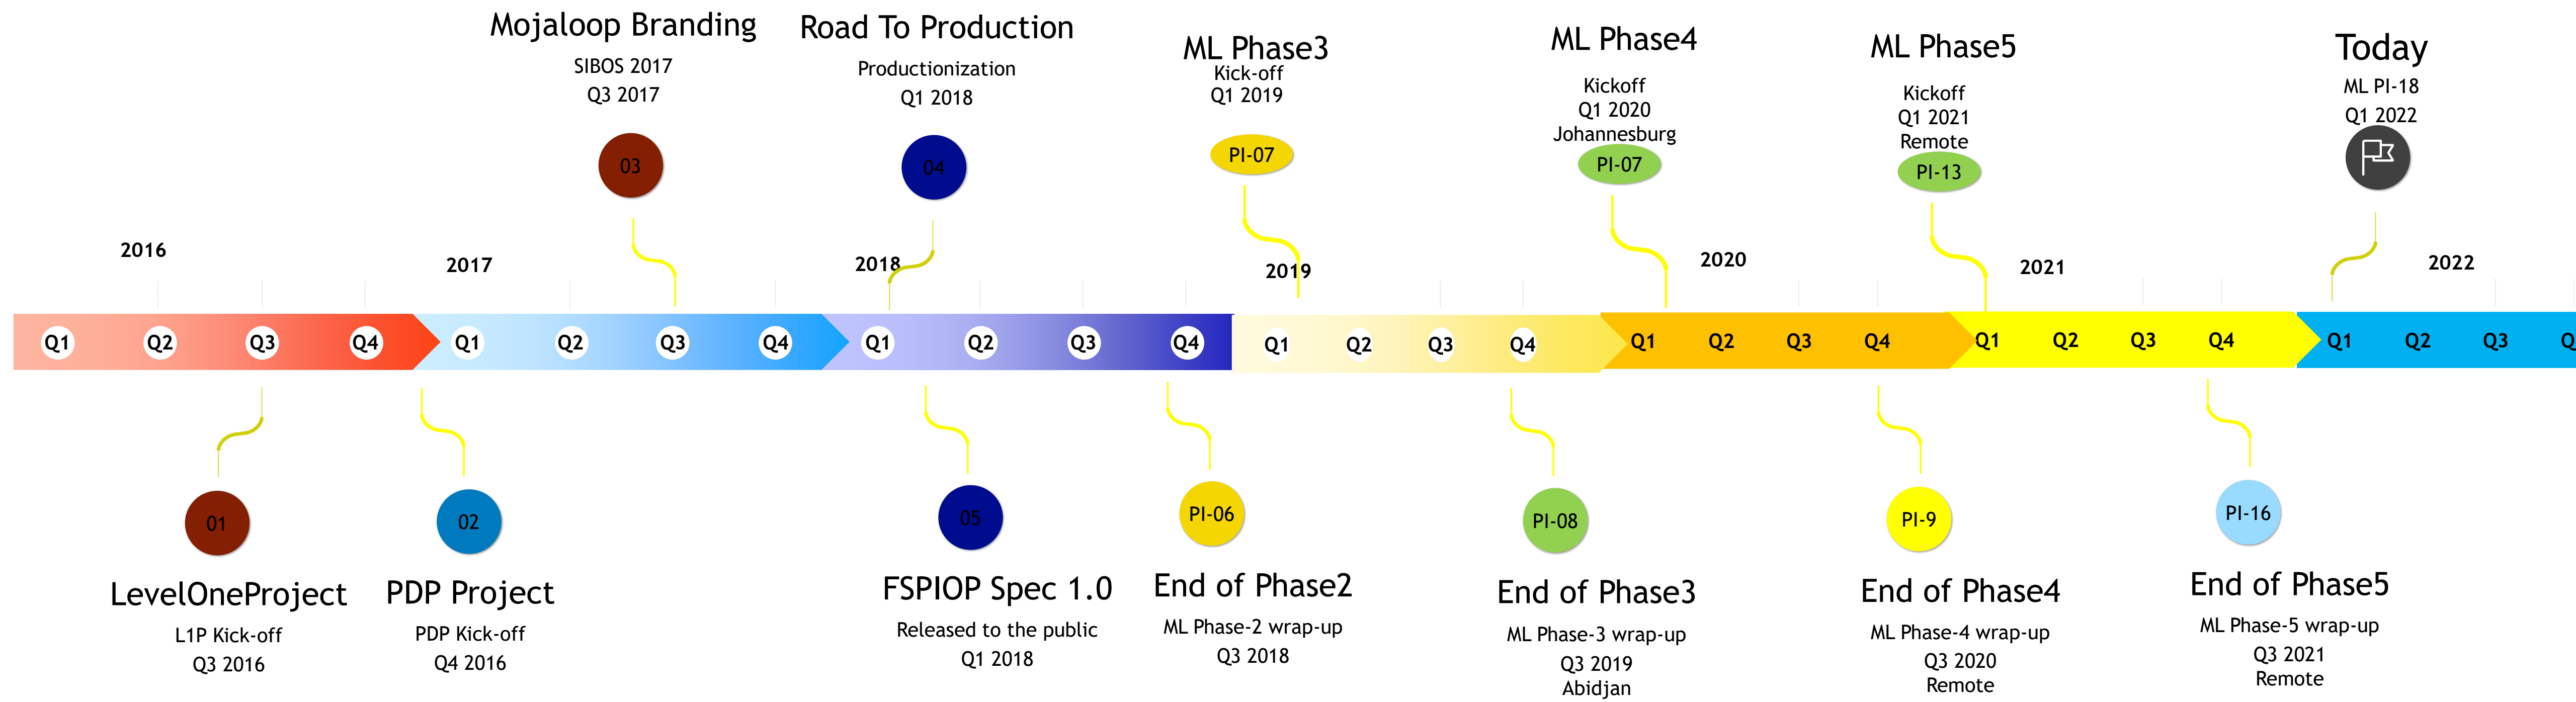

- History – a look back
- Why open Source
- Roadmap and Planning

Why Open Source

- Open source licensing encourages innovation through collaboration.
- Open Source (w/ the right community is):
 - Cost Effective
 - Highly Reliable
 - Scalability
 - Secure
 - High Quality
- Without it, many of the technologies we take for granted today would never have developed
