The Journey to a live implementation - lessons from the field

October 2022 - Zanzibar

Topic

The Journey to live implementation – lessons from the field

Starting on implementing Mojaloop for most people is daunting and the default 'safe' place to go is to use cases and code and API's

BUT…..

There is so much more to do

Meet the panel

Bernard Dadi –

    ex-NPS Director for Bank of Tanzania

Innocent Ephraim –

    Independent consultant, Financial inclusion and DFS enthusiast
