PI-20 Community Update

Simeon Oriko

Director of Community

Mojaloop Foundation

Agenda

- Community Focus

- 2022 Community Governance Elections
Community Focus

Market Requirements

Make Adoption Easier

Achieve Scale

Connect to other systems

Priority Pillars

Market Requirements

Make Adoption Easier	Focused Messaging
Drive Scale	Adoption Toolkit
Connect to other systems	Infrastructure
	Portals / PM

Market Requirements

Make Adoption Easier

Drive Scale

Connect to other systems

Merchant Payments

3PPI

Market Requirements

Make Adoption Easier

Drive Scale

Work with other systems

Cross Border

DPG interoperability

Modularity of adjacencies

What does this mean?

- Members of the community are still open to do what they want!
- Mojaloop Foundation team and resources will focus on these pillars
- Thought leadership efforts will focus on these pillars
- Grant programs will focus on initiatives supporting these pillars
- Time and presentations at convening will focus on these pillars
- ***Product Roadmap will be developed from these pillars***
